

November was a very busy month with field trips to the Museum, the Post Office, Roosters and the dance/art/music studio. Our students celebrated Remembrance Day and learned about community helpers. They also got to see a play presented by Quest Theatre. We had Parent conferences and report cards were distributed. We are also making great progress with our Reading sprouts program and developing Math sense.

SO what is happening in December?

I am a little slow getting my Newsletter out– mostly because I can't believe it is DECEMBER ALREADY!

Important Dates

December 20th– Christmas program 7:00 Tom Karren Gym

Please meet at the kindergarten at **6:15 p.m.** We will take your students down to perform. As soon they are finished performing their number, we will meet you in the hall by the High School Gym to let you take your students to sit by you to enjoy the rest of the program.

December 22– is the last day before the break – We will be having a Class Christmas party the last hour of that day.
