## **Parent helpers**

**We know that not everyone is able to come and volunteer to be a parent helper. We understand that you may be working or that you may not have a babysitter for younger siblings, or your schedule just does not allow for you to volunteer at this time. If this is the case, please know that we understand and there is no pressure intended with this email. Just know that if there is a day that you could come for an hour please contact our calendar moms and they will schedule for whatever time works for you. You can sign up for just one time or more often if that works for you.**

**They will also schedule you if you would like to be a parent helper at one of our field trips.**
