

Smart Cookie of the week

To highlight our students we are going to give them all a turn to be the smart cookie of the week. That is their week to be the line leader, be the special helper, sit in a special chair and do show and tell all week.

Is there anything the parent needs to do that week?

We are asking you to **make a poster** to tell about your child. It could have a picture of him/her and of the things that your child likes or activities they like to do.

We will hang that poster in the classroom all week and then on Friday he will tell the class about his poster for show and tell. Some parents may want to come to the class on Friday to help the child share their poster or bring a small snack for the class- but that is very optional.

We also ask that you help your child **prepare a show and tell for each day of his week**. Please don't bring anything that you would be heart broken if it was damaged.

If you have any questions please let me know. The schedule for your child's special week is included.
